## Welcome to Halifax Market!

Halifax Stanfield International Airport, gateway to Canada's beautiful maritime province of Nova Scotia, is the site of the exciting new Halifax Market, an adjunct of the airport's traditional retail concessions program.

Hudson Group suggested and created this unique shopping area in formerly unused space on the departure level. The eye-catching "cart" program offers departing travelers a diverse mix of local and regional merchandise.

Anchored by a full-service newsstand, Hudson News, the Market features distinctive regional and nationally branded merchandise from: Christmas in Halifax (collectibles), Crabtree & Evelyn (toiletries), Discover Nova Scotia (souvenirs and gifts), Godiva (chocolates), Kids Works (toys and games) and Roots (sports and leisure apparel).

*For information on how Hudson can help you to convert underutilized areas to profitable concessions space, contact:*
